

## Who We Are

We are a recognized world leader in the biotechnology industry. Leveraging 19 years of expertise—our statistical analysis and visualization software enables the scientific community to make drug discoveries, study human genetics and disease relationships, including causes, diagnosis, and treatments.

We use the latest technology and select only the brightest minds to join our team. If you want to make a difference in the world and think you have what it takes, contact us at [jobs@partek.com](mailto:jobs@partek.com)

# We're Hiring
